 - i. Heather McDowell and Dee Bray from Stillwater Mine are present to go over Covid health update at the mine.
 - 1. Stillwater Mine will cease the application of their Covid action plan and go back to operations as normal.
- II. **MINUTES OF LAST MEETING:**
 - a. Minutes approved with the following corrections. Steve moved to approve , Randy seconded.
 - i. Commissioner Hamilton moved to have Josh send 3rd and final notice.
 - ii. Under the health nurse report, “the clinic will continue to do lead investigations”.
 - iii. And Commissioner Crago adjourned the meeting.
- III. **NEW BUSINESS**
 - a. Board of Health Membership
 - i. The Board as agreed that the Commissioners will stay on the board until the Homestead investigation is complete.
 - b. Covid Vaccine Report
 - i. Darla had nothing to report.
 - c. Homestead
 - i. The Homestead investigation made Q2 News. The DEQ started their own investigation as well. The DEQ determined that it is a public water supply and they are considering it as a public water supply non-compliant.
 - ii. The abatement has been filed with the County Attorney.
 - 1. Ryan Addis stated that the county filed one count, abatement of the public health nuisance.
 - a. Asking for the sewage leak to be abated.
 - b. The first step, the complaint has been filed and issued summons. The defendants have 21 days after being served to answer complaint or file a rule 12(b) motion.
- IV. **COVID 19 PANDEMIC**
 - a. Darla stated that over Memorial Day weekend there was the beginning of a Covid 19 outbreak at our local nursing home. Around 15 people tested positive.
- V. **HEALTH OFFICER REPORT**
 - a. Dr. White had nothing to report
- VI. **HEALTH NURSE REPORT**
 - a. Darla will be contacting all of the different county departments to talk to them about putting no smoking stickers on vehicles per the clean air act. The clinic has unlocked their doors to be more available to the public.

VII. SANITARIAN REPORT

- a. Review of complaints**
 - i.** Rock n River subdivision. Josh had a call from a landowner stating that one of the neighbors was building a home with more bedrooms than the DEQ allowed which, in turn would affect how many bedrooms she could build. Josh reached out to the HOA and took care of what he could locally and then sent to DEQ to for review.
 - ii.** Josh is investigating another complaint out of Crow Chief Meadows. It appears that one of the sanitarians prior to 2018 had signed off on a permit and 15 feet of the drain field are on the neighboring lot.
 - iii.** We continue to get calls from the residents of Park City concerned about the water contamination. The ones that are outside of the area of impact, we are encouraging them to come get a sample kit and have their water tested at their own cost.
- b. Permit requests**
 - i.** Amy keeps getting requests for existing permits and Josh also has been busy with normal new construction inspections.
